SUBJECT - FLOOD ACQUISITION

Sir,

I have the honour to state that the lands described in the schedule attached, which were notified for acquisition in the notification specified against them as being required for shifting villages which suffered during the floods of 1924, are now reported to be not required for the said purpose now The Mildar proposes, and I agree with him, that we may withdraw from acquisition in these cases Neither awards have been passed, nor possession has been taken of the lands in these cases

2 In the circumstances, I request that a recommendation may kindly be made to Government to withdraw from the acquisition under 48 of the Land Acquisition Regulation and orders obtained very early so that the cases which have been pending needlessly may be removed from the file register before the end of the current quarter

I have the honour to be
Sir
Your most obedient servant
